Supplemental notice of allowance

Claims 1-36 are allowed. The Examiner spoke with Mr. Anton Ness on November 29th and confirmed with him that all the claims are allowable.

Election/Restrictions

Claims 1-36 are allowable. The restriction requirement, as set forth in the Office action mailed on 08/17/05, has been reconsidered in view of the allowability of claims to the elected invention pursuant to MPEP § 821.04(a). **The restriction requirement is hereby withdrawn as to any claim that requires all the limitations of an allowable claim.** Claims 22-35, directed to a different embodiment is no longer withdrawn from consideration because the claim(s) requires all the limitations of an allowable claim.

In view of the above noted withdrawal of the restriction requirement, applicant is advised that if any claim presented in a continuation or divisional application is anticipated by, or includes all the limitations of, a claim that is allowable in the present application, such claim may be subject to provisional statutory and/or nonstatutory double patenting rejections over the claims of the instant application.

Once a restriction requirement is withdrawn, the provisions of 35 U.S.C. 121 are no longer applicable. See *In re Ziegler*, 443 F.2d 1211, 1215, 170 USPQ 129, 131-32 (CCPA 1971). See also MPEP § 804.01.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: With respect to claims 11 and its dependent claims, the prior art of record fails to teach or render obvious a catheter hub comprising all the elements as claimed and further including the lower and upper portions having opening at the proximal and distal ends. The prior art shows the upper and lower portions having each distal end having 2 openings but the proximal end having no openings.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Drawings

The drawings were received on 10/19/06. These drawings are have been approved.
